PRINCIPAL'S MESSAGE

Dear St Kevin's families,

My thanks to all those parents who were able to attend the Parent Welcome night last Friday night. It was a very successful evening, where parents and staff could easily meet and mingle with each other. My thanks to our P & F committee who worked hard to manage and coordinate the event ensuring that everyone was warmly welcomed.

I truly value the support of the P & F and I really encourage all families to respond to this school initiative and do "Just One Thing" this year. It's never too late! Your children will be happy and proud that you are helping at school and you will immediately feel a real connection to the school community, a connection that is only experienced when working with others.

Always laugh when you can. It is cheap medicine –
Lord Byron

Enjoy the week ahead,
Lorraine Vincent
Principal

Open Day

[St Kevin's Open Day](#) will be held on Tuesday 6 March from 9.30 - 11.30am. There will also be an Information Evening from 7pm. This is an opportunity for parents with children starting school in 2019 to see our school community in action.

KidsMatter Surveys

St Kevin's is a KidsMatter school where we take serious thought and consideration in promoting students' mental health and wellbeing. An important aspect of implementing KidsMatter Primary is the consultation process with the school's parent community. The survey takes about five minutes to complete and your attention to this task is very much appreciated. Please follow the link below.

Waste Free Days

Thank you St Kevin's for your efforts this week. Keep up the good work! We will continue our endeavor to make a difference on Ecology to care for our common home.

Project Compassion

Our Project Compassion story this week tells us of Janaki. Her story suggests that she too has experienced a time of wilderness in her life. She grew up in a world of poverty and disadvantage in Nepal and was forced to marry at an early age.

The project Compassion theme for 2018 is "A Just Future". For Janika and others in her community, a just future has started with empowerment. Her story reminds us of the words of Pope Francis who said, 'let us not be satisfied with a mediocre life. Be amazed by what is true and beautiful, what is God'.

Project Compassion enables you to make a difference to young people around the world.
