St Kevin's now has a Mobile App to keep families up to date with news and events happening at school. Families can view the weekly newsletter, access the school calendar and the school website via the app. The app also allows the school to send important reminders to families, and notifications about upcoming News & Events. Download it today from the App Store or Google Play– it's **FREE!!**

1. Download the **St Kevin's Catholic Primary School** mobile App from the App Store or Google Play

2. Ensure you select **Allow** when the Notifications message appears (otherwise you will **not** receive notifications from the school)

3. Click on the **More** tab (bottom right hand corner) and choose **Settings**.

This will allow you to select class groups to ensure you receive messages that are relevant to your child's class. For example if you have a child in Year 1 – select Year 1. If you have children in Year 1 and Year 3 – select both Year 1 and Year 3.
