St Vincent de Paul Christmas Appeal

'Make it a real Christmas filled with Joy' is the concept for this year's Christmas appeal.

2.2 million people in Australia live below the poverty line, including over half a million children. Your support allows the St Vincent de Paul Society to provide more than immediate help, it provides something much more valuable – the opportunity for a better life.

St Vincent de Paul has officially launched its Christmas Appeal. Each class will have a collection box for any spare change you might have that will go towards changing lives this Christmas. Five dollars will provide a hot meal for a person experiencing disadvantage. If any families would like a box for home use please let me know or donate to the Vinnies Christmas Appeal [visit. www.vinnies.org.au](http://www.vinnies.org.au)

Each child has received a flyer today outlining the details of the Christmas Appeal and an item has been highlighted for you to donate. Please ensure that your child's item is returned to the classroom.

Hampers will be collected on Friday 7th December.

Class Mass

This week Year 1 will join our parishioners for Mass on Friday at 12pm. Please feel free to join them.

Council of Catholic School Parents (CCSP)

Sleep deprivation is a problem for a lot of Aussie kids, but especially for teenagers and for a range of reasons. Sleep deprivation has significant consequences in many areas of our children's lives such as:

Learning and academic performance

Emotional and mental health

Behaviour and decision making

Body systems

The sleep needs of children change throughout their development and the Sleep Health Foundation recommends the below as a guide:

- ❖ Pre-schoolers (3-5 years old): 10-13hrs
- ❖ Primary School Aged Children (6-12years old): 9-11 hrs
- ❖ Teens (13-17 years old): 8-10 hrs

The good news is that if your child is experiencing sleep deprivation, there are some strategies you can implement now to help address the problem. Click on the link below for some tips on simple sleep smart habits.

Library News

The final Scholastic Book club issue 8 has been distributed to classes. All orders must be placed by **9pm Thursday 22nd November**.

All orders must be done online and paid by credit card.

The school cannot process cash orders.

If you wish to purchase Christmas presents and keep them secret from your child, please send me an email or note through the office so I can keep them aside for you to pick up from the office. Deliveries should be made after the 30th November.

The image is a promotional graphic for the Scholastic Book Club LOOP. At the top, it says 'SCHOLASTIC' in a red box. Below that, 'Book Club LOOP' is written in large, colorful letters, with 'LOOP' in red. Underneath, it says 'for Parents'. A paragraph explains that LOOP is the Scholastic Book Club's Linked Online Ordering & Payment platform for parents. It provides the website 'www.scholastic.com.au/LOOP' and includes logos for Google Play and the App Store.

As we come to the end of the year, library borrowing will finish a little earlier. All books must be returned by the end of week 8. I hate spending my time hunting down lost library books. All students will be receiving notes about what they have on loan. This is just a reminder, for you the parent to supervise your children's search for any lost books. If they have been lost for quite a while then payment for a replacement would be appreciated. This can be made with cash or ETFPOS at the school office.

The children have started Christmas Craft in the library at lunchtime. Many of these items will be available for sale at the Christmas concert for less than \$5. Most items will be \$1, \$2, or \$5.

Money raised will go towards charity.

World Book Online has a trial access for 2 weeks.

Week 4 News

Wednesday's are starting to reach capacity, if you would like your child to attend please ensure you book them in prior to the day to avoid disappointment.

NOTE: WE CAN NOT ACCEPT CHILDREN WHO ARE NOT BOOKED IN, DUE TO NUMBERS AND STAFFING RATIOS. PLEASE SEE LACHLAN IF YOU HAVE ANY QUESTIONS.

For week 4, our theme was national others week. With an aim was to promote kindness to one another, we set out to make the people around us feel special. Our craft reflected this, with highlights including a group poster with kind messages to our friends inside and outside of OOSH and the outline of the children's handprints, another where the children made bracelets and necklaces for family and friends and personalised cards, which the children initiated themselves.

Our weekly cooking this week was a recipe for Pot Ang, which is a Cambodian take of corn on the cob, with a sauce made up of coconut milk, green onions, fish sauce and a small amount of sugar. The children loved learning about Cambodia and everyone was in agreement that the street food there must be delicious, based off of what they tasted in this recipe.

Gardening was also engaging, combining the kids' interest in sustainability with a hands-on learning experience, watering and weeding our herbs and vegetable patch. For our sport lovers, we had soccer-golf, basketball, cricket and touch football, as well as games such as holiday disaster, kicks tennis and H.O.R.S.E.
