

# Do One Thing in 2019!

Dear Parents, Guardians and Friends,

Thank you to the families that have made the most of their opportunity to help with one thing in 2018. We are most grateful for those families that do more than one!

## Let us us start by asking you what does community mean?

Well, most dictionaries say. *"A group of people living in the same place or having a particular characteristic in common"*.

That common characteristic for us is our children, that same place is our school. Every Parent, Carer, Guardian and Friend, is part of our community and we need you.

This year, it's all about making time to support the continuation and extension 24/7 of that community. So **SIGN UP** for your opportunity to make a difference in our school community. All you need is a little bit of time. Helping out with our events or community services at the school is a great way to show your children how important their school is to you and your family.

We would be appreciative if every family would nominate to "do one thing" and to those who have already made an impact in 2018 please continue the amazing effort, so we can provide more great educational activities and social events for our children and the St Kevin's School community.

Included is a list of "Things" which require assistance for Term 1, 2019. Here's how you can register:
