PARENT/GUARDIAN AGREEMENT

I understand that St Kevin's Catholic School provides students with access to ICT, internet and network services that may include computers, the internet, intranet, software, e-mail, social media, chat, search engines, and collaboration tools to enhance teaching and learning.

The school may use various cloud based services to provide services such as e-mail, collaboration, web applications and data storage. Consequently, student account details and data may be transferred, stored and processed in the United States or any other country utilised by these providers. In signing this agreement I consent to this transfer, processing and storage of information.

School personnel responsible for the cloud systems may have the ability to access, monitor, use or disclose data and associated administrative data for the purposes of administering the system and ensuring its proper use. In signing this agreement I consent to such access, use and disclosure.

I agree to (student's name) _____ using the internet and network services at the school for educational purposes in accordance with the Acceptable Use Agreement for Students above.

I understand that the school cannot control what is on the internet and that some materials on the internet may be objectionable. I understand that the school will take all reasonable precautions to minimise the risk of exposure to unsuitable material and unwanted contact. I understand that the school will not be responsible for any financial obligations my child incurs through use of network services.

I believe my son/daughter understands this responsibility, and I hereby give my permission for him/her to access the internet under the school rules. I understand that students breaking these rules will be subject to appropriate action by the school. This may include the loss of internet and network services access for some time, as determined by the Principal.
