## PRINCIPAL'S MESSAGE

Dear St Kevin's families,

Our school staff have been very engaged this morning with messages from Bishop Anthony and our Interim Director, Danny Casey. The main takeaway from the morning has been the importance of building an authentic learning school community with a sense of collaboration and co-responsibility... in short; together we work.

I wish everyone a happy and restful school break. Our students and teachers are looking forward to a well-earned rest, after which they will return fresh and ready for another term of learning.

Wherever a man turns he can find someone who needs him. ~Albert Schweitzer

Regards,

Lorraine Vincent – Principal

We very much look forward to meeting these babies as soon as we can.

## Safety First

As we approach the **school holidays** it is timely to send out reminders about child safety matters (e.g. parental supervision, pedestrian safety, wearing helmets, bike riding etc) <https://www.safetytown.com.au/parents/>

Just remind your children of these three steps each time.

## Religious Education Reconciliation

Congratulations to all our students who received the Sacrament of Reconciliation with Fr Reinaldo in the church yesterday. It was a lovely celebration and it was great to see so many parents and guaridains who came to help celebrate this special occasion.

## Sacraments

We are still waiting for the Catholic Schools Office to confirm how we are to proceed with the sacraments of Confirmation and First Holy Communion. Please watch this space weekly for updates.

## Healthy Living...

### Live Life Well @ School

#### HEALTHY & FUN DRINKS

#### Make Fruit Water Infusions

Try different combinations from ingredients such as cucumbers, oranges, lemons, berries or herbs.

Try using items from your own garden if you have them e.g. mint, rosemary, lemon grass.

Let your combinations infuse for about an hour and then enjoy the fresh taste! (add ice to suit)

*Tip: compost the organic waste if you can.*

**Recommended daily fluid intake:**

- 5 glasses (1 litre) for 5 to 8 year olds
- 7 glasses (1.5 litres) for 9 to 12 year olds
