Apologies no Principal report from Adrian Pulley

AP Report from Nicholas Dowler -

Nicholas went through what Naplan mean & how it helps to plan and forecast learnings & opportunities for St Kevins. Nicholas went through the results from Year 3 and Year 5. The two year groups went exceedingly well & achieved beyond expectation.

Some focus areas post the Naplan results were reviewed by staff and outcomes on what teachers can do in the classroom to lift what/ if any areas were made.

P Mel Navin – Future discussion topics

Year 1 Proposal Submission to P&F -seek the support of the P&F to purchase additional reading decodable books for Year 1 students—specifically, a set of Level 4 and a set of Level 7 books. The total cost for these resources is \$650.00.

The benefits of this purchase include:

- Supporting a broader range of learners
- Increasing diversity in reading materials
- Reducing repetition of the same books
- Enhancing student engagement through variety

Additionally, the school would like to propose the purchase of a portable gazebo to be used at all sporting and offsite events. Currently the school is receiving quotes and will advise progress as soon as available.

There was general agreement among those present to proceed with decodables.

Any other matters for discussion – please contact P&F and or class parent rep.

Next meeting will be November 11 – also social – food/drinks and music.

Meeting closed at 7.29pm.
